One of the Best Books I've Read in awhile!

By A. I. - Love to read

This book is absolutely spot on. Our Denomination's greatest need is for the Holy Spirit. The author early in this book got me to thinking, "The Holy Spirit is WITH us, but is He IN us? Something that really turned my head inside out. I got to thinking about it and all my life I've been confident the Holy Spirit is with me, but He wasn't IN me. Now I know why, thanks to this book and Dr. Clouzet.

I will spend time praying for the Holy Spirit to be IN me and to help me to love others as Christ loves us. I've been way too selfish for way too long. It's time for a change and I'm going to ask God for it.

Dr. Clouzet has chapters on various topics like speaking in tongues, etc that tie in with the concept of the Holy Spirit. Every chapter has a true story of a missionary or someone who was affected by the Holy Spirit. One gripping story is about a woman who was married to an abusive spouse. She nearly divorced him but was encouraged to pray for the Holy Spirit. She did for 3 months and things got worse but then one day it changed and got better. One year later, her husband had totally changed and their marriage was in good

shape. Then the grandmother came to watch over their 6-month old son while she (wife) and her husband went out on a date and accidentally left the cap off of her prescription drugs. The baby boy managed to find the pills and swallowed all of them. He didn't make it. The family was devastated and the husband ran away leaving her to grieve on her own. She was reluctant to pray but she did and after a month the husband came back to give her support and the whole family - her parents and her in-law's all became Christians because they saw how the Holy Spirit was working in her.

There are several other awesome stories in the book that made my hair stand on my head; but I'll let you buy the book and enjoy reading it.

Thank you, Dr. Clouzet. God bless you.

Adventism's Greatest Need

By Kiemeney

Many good spiritual insights into the necessity for the Holy Spirit to energize and galvanize the Christian church. The book is filled with practical suggestions into how the church can give greater emphasis to the presence of the Holy Spirit. Very good book on the subject.

By JG from CO

This book was given to me and my husband. When we read it, we bought it for all our friends! It's a thought-provoking look at ourselves and a call to do the work God has called us to do. I haven't enjoyed a book so much in a long time.
