¡Fantástico!

By Cliente de Amazon

Creo que por muchas líneas concantenadas que escriba no podré reflejar cuánto me ha gustado esta novela. No sé qué me ha fascinado más: si la forma de escribir, los protagonistas, la ambientación o la trama (por favor, ¡si hasta la portada es preciosa!) . Sin lugar a dudas, todo ello hace que esta novela sea de 10, una historia apasionante y emotiva.

El único punto negativo, si es que se puede denominar así, es que se me ha quedado corta, quería seguir "viviendo" lo que Neill y Alain tenían, estar presente en sus tiras y aflojas y conocer más a otros personajes que me han encandilado (Sweet Pie y Germain).

Ojalá la autora decidiera hacer una historia de ellos, sobre todo del precioso ángel, es tan delicado y tan dulce que es imposible no caer a sus pies.

Tengo que destacar, de nuevo, la forma de escribir de Hendelie, es envidiable, lo hace fácil a los ojos del lector, con una maestría impresionante, una cosa es escribir y otra bien distinta hacer magia. La autora fuerza al lector a sentir las palabras, a paladear los sentimientos que afloran en cada página, a apreciar la literatura y a querer a sus personajes. Maravillosa, brillante y sublime.

Hermosa!

By Rowein

Soy fan de Hendelie y su escritura me gusta mucho. Este libro es cortito, pero intenso y creo que los personajes son adorables y encantan de inmediato. Lo disfruté y sufrí mucho.

El único "pero" es que el final es demasiado abrupto, creo que se explicaron algunas cosas que eran tratadas con atención en el desarrollo del libro con demasiada rapidez. Y bueno, me hubiera encantado un final un poco mejor explicado... pero está bien, la verdad es que no me quejo.

¡Y no hay apéndices!

Eso me gustó :)
