Emotional

By SUSAN SPARKS

I was provided a free copy for an honest review

A very emotional read, two people both deeply scarred by the people they loved found each other. Jaime's story really broke my heart a young scare girl made a decision that caused her to cut herself off for ten years. Ethan's story was just as sad adding insult to injury having his past come back into his life just as he finds Jamie was even worse. The story surrounds Jaime and Ethan as they face their pasts and find the light at the end in school other.
