Five Stars

By Amazon Customer

ok, excelente

0 of 0 people found the following review helpful.

good but doesn't have classics such as creme brulee

By Mercedess

I liked the book a lot. It has many good tips and practical information. I have some knowledge of the subject, for beginners I think a little more explanations would be necessary.

There are some classic recipes missing, that I would've expected to be in the book

0 of 0 people found the following review helpful.

tecnicas culinarias cordon blue postres

By gaston philippens

Gran libro con las tecnicas basicas para la confeccion de todo lo referido a postres. es una libro que siempre quise tener. a my buen precio por amazon es un libro de alta calidad en papel y fotografia. totalmente recomendable para los amantes de la cocina.
