This journal has been created especially for home brewers who like to keep track of their batches, and log the outcome of every brewing experiment.

Besides the antique look, everything in this notebook has a function; from reference charts to tasting notes. It took 9 months to develop the Brew Journal, from concept to launch. Why so long? Because we fine tuned several aspects during this process. Now, the final product counts with: 100+ Hops Charts, 90+ Yeast Strains Chart, Unit Conversion Table, Color Reference Alcohol By Volume Reference Chart, Glassware Reference Chart, Space for 70+ recipes and a Pen Holder. The Brew Journal is made with PU leather - the closest material to real leather and it has a really nice fell to it, besides the antique look. It's the perfect place for your craft beer recipes!

BeerSmith works great, but I want a hard copy for reference ...

By Shawn fenk

It's important to keep track of your brewing if you want to improve, or if you want to be able to repeat your successes. Well, this is THE brew journal. I've been brewing for 9+ years and have used many things to keep track of my brew days. BeerSmith works great, but I want a hard copy for reference and something to track each step better. I've tried other logs, made spreadsheets, etc, but NONE of them are as helpful as this log. There are a bunch of great reference sheets and guides that help, even a section on hops with substitution suggestions and basic profiles to help with recipe formulation. The log sheets are very clean looking, with plenty space for all the details of the brew session. There are plenty pages for your entries, so this along with the FANTASTIC construction of the book will ensure you have it for many brew days. I definitely

recommend you try it, as I can't see myself using anything else for my hard copies! I've already labeled the inside cover as "Log 1" as I know I'll be buying another when it's full.

Perfect Gift for a Homebrewer!!

By Anonymous

I bought this as a gift for my husband for Father's Day (from our kids to him). When I initially opened it up I was blown away by the quality of the journal. I especially love how all the reference charts were made available right there. He loved his gift, can't wait to use it.

Perfect gift for the Home Brewer.

By AbinoLynne

My son, who is brewing his own craft beers now, loves this journal. Plenty of room for writing and includes suggestions and ideas and recipes to try.
