By all means, buy this dictionary!

By Ibrahim

I wish I have had this dictionary growing up and learning English. I wish they would make it available online because it is a bit on the pricey side. I have been reading it like a novel and enjoy the various nuances of words and how each is employed uniquely in its own context. By all means, buy this dictionary!

Amazing

By Rafael Lourenço Rosa

Amazing dictionary. It really activates your vocabulary. It gives you options to say the same thing in different ways. Great examples!
