As the various other, we discuss the connect to visit and download and install the soft data ebook Loving The Goddess Of Love (Children Of Khaos) By Stephannie Beman So, you might not lug the printed book Loving The Goddess Of Love (Children Of Khaos) By Stephannie Beman anywhere.

LOVING THE GODDESS OF LOVE (CHILDREN OF KHAOS) BY STEPHANNIE BEMAN PDF

Hephaestus is less than pleased when his father Zeus comes to him with a request: Marry Aphrodite. But what the King of the Gods commands of him, Hephaestus will do, even if it's being tied to Aphrodite for eternity. Now he is stuck with a beautiful, sexual goddess who is in love with his brother Ares. When Aphrodite is ordered by the King of the Olympians that she will marry the grouchy, crippled Hephaestus and remain faithful to her marriage vows or inhabit a cell in Tartarus, she has little choice except to follow Zeus' demands. But her objections to the marriage are not the reasons everyone believes them to be.

Not your father's mythology

By Joleene Naylor

Another excellent book from Stephannie Beman. Loving the Goddess of Love follows Aphrodite and what happens when Zeus orders her to marry his son Hephaestus, the smith of the gods. A short, stocky god whose scarred body and limping walk makes most Gods turn away, Hephaestus doesn't understand why he has been given the "Goddess of Love" for his wife - and he doesn't trust anything about the arrangement; not even Aphrodite herself. Especially when he can tell that she's holding something back. Little does he know that the information she withholds isn't by her choosing - she is forbidden by dark magic.

Though you don't **need** to read My Lord Hades first in order to understand the events of this book, I do think it helps as Persephone and Hades make minor appearances. There is also a short story, Love is Blind, whose events intertwine with this book, though again it's not necessary for the reader to have read it, it just

enriches the experience.

I won't lie, I love ms. Beman's stories because she's finally out the sex and the romance back into the mythologies and, though she has made changes to things such as family lineage, I find her changes enhance the stories rather than taking away from them.

Good story to read in the afternoon.

By KenC

The story was enjoyable and kept to the general outline of the old Greek myths. I did like how Zeus behaved as a character. It was believable to have him be so thoughtless of people around him, to underappreciate the ones who did him a service or a favor and to use one character in the story in order to appease another character whenever he was in jam or because it was easy. The Goddess of Love did not have an easy journey to get her man but it was a plausible story. The main villain did get it in the end but for the last few years Chronos has been the bad guy in the retelling of the Greek myths and each time he is just a little different and evil in its own way.

Next I would like to see Rhea's story as to how she married him and why she had to protect her children from a bad father. dac in ct

A new spin on mythology

By Chelsea

I really enjoyed the book. It was a little confusing if you are familiar with the "family tree" of the gods and goddesses but i thought it was an interesting way to look at Mt. Olympus.

I feel in love with the characters. Definitely not a children mythology story.
