ON THE OTHER SIDE OF FEAR BY JULIA FEHRENBACHER PDF

"It seems laughably inadequate to call Julia Fehrenbachers On the Other Side of Fear a collection of poetry. It is that, of course-graceful, lyrical, wise poems about life, love, doubt, faith and the sweet, simple anatomy of a moment. But its more than that. On the Other Side of Fear is an invitation to shed the weight of your past, get naked and real and 'wide-eyed awake to the undeniable poetry of it all. "Reading Julia is like waking up to find your dream is still there, all around you, unabashedly grand and utterly obtainable. Her poems resonate with a precise, astonishing power, and each piece of Julias art is like a breath of rarified air. "On the Other Side of Fear feels like coming home . . . to the home you always wish you had, to the home you deserve, to the home youve been carrying around inside you without ever realizing it was there, accessible and welcoming, the whole time. Read these poems and fall in love with your beautiful, imperfect self; in Julias words, 'slow way down/ get close and closer/ listen like crazy to your life." - Judy Clement Wall, writer at AhumanThing.net

Sweet Insights of Love

By Lynn J. Radosevich

"On the Other Side of Fear", by Julia Ferenbacher, is a book for this time, for all hearts, for all ages. It speaks softly, with a grace that is beautifully simple and at the same time profound. The book comes from a deep place within, where the author has explored the landscape of her soul, and shares the sweet insights of Love that she has discovered there. I gifted the book to my daughter and to my sister, and both spoke of how deeply it has resonated with them and touched their lives. I am a yoga and dance teacher, and use her poems and art as inspiration in my classes. What a beautiful gift.....thank you Julia.

Leap to the Center of Yourself

By Amanda Oaks

Sitting down with this book is like Julia taking your hand & saying, it's okay love, come with me, & you don't crawl to the center of yourself, you don't walk into your core, you don't even run, Julia asks you to leap with her. As you read the words, as you are falling with her, from the moment your feet lift from the edge with the first line, her words start to peel away all those layers we tend to hide ourselves with sometimes, our half-truths, our masks. So, you're reading & you're falling, & Julia is baring her soul. So she can see herself. So you can see her. All the while encouraging you to do the same. So she can see you. So you can see you. When you get to your center, you're standing naked as eff with her, on the ground, feeling lighter than a leaf & loved, all those stories, all those layers, are scattered all over the ground & your heart is as wide-open as the sky...

It's only then that you realize, that you think, but I don't remember letting go of her hand, but you did.

A perfect bedside companion for morning, noon and night

By E. Atkinson

Julia Fehrenbacher's poetry and artwork touches the very core of my being. Her words, so perfectly placed on the page, cut through the crap and the noise in my head, stirring my soul and gently whispering to me about the Things That Really Matter.

Her work has moved both myself and my husband to tears, and on March 16th this year, I had the honour of having one of her poems be read at my wedding. I have heard Julia be described as a 'modern day Rumi' and to me she is exactly this.

This book is one of my all-time favourite purchases. Do your heart a favour and invest in it.
