Most helpful customer reviews

1 of 1 people found the following review helpful.

Master Salesman Elmer G. Leterman wrote Personal Power Through Creative Selling to help youth become Salesman

By ronald r.

This book is one of the best books written on salesmanship for both the novice and experienced salesmen. The chapter on "Building Confidence" should be most helpful to youth who are considering selling as a career.

I am personally using Personal Power Through Creative Selling as a reference book in designing a Tutorial for Youth on Professional Selling.

Ronald R. McCormick, Ed.D.

Career Readiness Counselor
