Top Notch guide for Realtors!!

By Adesina Scott

This book is reader friendly and enjoyable. It is very well written and easy to follow. The information learned from this book I will actually use. After working through this workbook, my confidence has increased and I plan to win. The author puts one word after another and makes real magic with them. I will recommend this book as a top pick for my colleagues and associates in the real estate arena.

There's a lot of great information in this book

By Amazon Customer

There's a lot of great information in this book. If you actually do what Lee is suggesting, interact with the book, I find it hard to believe sales wouldn't follow. Additionally, this is a relatively novel approach for real

estate sales books; interactivity. I like it, and I think the author did a stellar job collecting and distilling a lot of great information!

**Pack with Great Information to Get the Results You Want**

By Teresa Rhodes

This book is definitely one that needs to be on all real estate agents book shelves. It provides great information in an easy to read format on how to transform your real estate business. If you're seasoned or new to the real estate industry, this book will literally guide you step by step on how to take your business to the next level.
