I didn't like or dislike the book

By Lolo

I didn't like or dislike the book. It was for a class. But delivery was quick (much faster than the stated delivery date) and the book was intact.

Five Stars

By L Hospy

Very well written book for difficult concepts.

Later edit: I rented this book for my previous class, but kept it over the time because it was so pertinent to the research of my following class.

Amazon did it's part to email me about the upcoming deadlines to return the book-- but I missed them. However, I am not sorry to keep this book because the information has been such a help to my professional

education.
