Red Riding Hood with Edward Gorey drawings

By Mary B. Martin

Red Riding Hood takes off to visit her grandmother in verse that is funny, witty & clever. The illustrations by Edward Gorey enhance the story.

The author wrote this version especially for young readers to read by themselves. Likewise, it's a good version to read aloud because the text is conversational, it rolls off the tongue smoothly and easily. Being in verse makes the text easy to memorize, too.

I like the simple, direct telling of this cautionary tale. The author tells the story in rhymed verse, with transitional lines before and after the stanza to complete the story line.
