SIZE MATTERS (HANDCUFFS AND HAPPILY EVER AFTERS BOOK 2) BY ROBYN PETERMAN PDF

"For a good time, read Robyn Peterman!" —Michelle Rowen, national bestselling author

A few hard truths. . .Don't bet on Hasselhoff, Bigfoot might actually exist, and searching for the impossible may lead you to your heart's desire. . .

It's a big fat hairy deal when I lose yet another bet to my best friend, Rena. Not only do I end up attending Bigfoot meetings with her kooky Aunt Phyllis, I find myself traveling with a band of reality TV, Sasquatch-hunting nut-jobs! Not to mention a suspiciously shady film crew. As if those little nuggets weren't enough to send me on the express-train to Crazytown. . .I stupidly swore off men!

Clearly all this would mess up any gal's social life, but the worst part of the story? The minute I send my libido on vacation, I meet Mitch. Yep, Mitch, the sexiest cop ev-ah. The hottest, best kissing, finest tushied, SINGLE guy I've ever laid eyes on. I'd rather be hot on his trail than anything that involves the word Big or Foot. But sometimes what you're hunting for has been right in front of you all along . . .

"A zany over-the-top rompfest." —Lexi George on How Hard Can It Be?

Too much craziness for me!

By PS

Oh geez, I could barely finish this one. The only good part was when Kristy & Mitch got together. Other than that, it was a disaster! I just didn't care for all the crazy characters in this book!

Totally Loved this Book

By DrMama

If you like off-the-wall comedy along with romance and suspense...read this book! Robyn Peterman has a way with words. This book had me in stitches. Several times I laughed so hard I cried. The suspense was such that I couldn't put the book down. You need to read "How Hard Can it Be" to get some of the references in this book. However, it would still be funny even if you don't. I have read 3 of Robyn's books (How Hard Can It Be, Fashionably Dead, and Size Matters) and I cannot wait to read another.
