Yukina's Blood Shines Into A Red Dawn.

By Fusionwavestarpism

Itogami Island's a completely artificial wonder that lies somewhere in the Pacific Ocean. It's temperatures are always hot during the daytime and Demons and Vampires live there. Over 560,000 souls live on this tropical paradise, including a very special human who goes by the name 'Kojou', who somehow became the 'Fourth Primogenitor' that has the power to control 12 mighty 'Beast Vassals' at his commands. The 'Lion King Agency' sends a 'Counter Demon Attack Mage' named 'Yukina', to watch his every move and kill him if necessary.

Very interesting characters you will grow to love and hate-

1. Kojou- He was just a normal high school student and then fate stepped in and change his life forever. Kojou lives alone with his sister 'Nagisa'. Sometimes he spends time with his friends 'Yaze' and 'Asagi', who also go to the same school as Kojou. Never has much money in his wallet. Kojou's the world's most powerful

Vampire.

2. Yukina- She's a Sword Shaman Counter Attack Demon Mage from the Lion King Agency. Yukina carries a guitar case on her back that contains a weapon of pure silver called 'Snowdrift Wolf', A spear with many magical secrets that reside in it's heart. Yukina's only 14 years old and now she must watch over Kojou. There's a very special stuffed animal that Yukina likes that will come from a crane game.

3. Natsuki- A very intelligent strong willed beauty. She teaches english at school and loves giving homework to Kojou. Natsuki's also a Counter Demon Attack Mage like Yukina. Natsuki likes to wear black dresses, Even in summer heat. Natsuki does have a past with Kojou and she's one of the few that know he's the Fourth Primogenitor. It's possible that Natsuki has feelings for Kojou. Love the artwork of Natsuki on page 48.

4. Asagi- She's a very bright computer genius and has a part time job. Even though Kojou admits that Asagi and him are just friends, Asagi's actions will show it's more than that. Love the colorful artwork of Asagi in the beginning pages in the book.

5. Nagisa- She's Kojou's little sister and loves to cook and keep their apartment clean all the time. Nagisa goes to the same school with Kojou. She's also a cheerleader. Nagisa will say something that will catch you off guard later in the story.

6. Yaze- He's friends with Kojou and Asagi. Yaze likes music and always wears headphones and has a black crow at his side for some reason.

7. Eustach- He's a Lotharingia Armed Apostle who wields a brutal sharp battle ax. Eustach's on a quest to bring back a very important item that might lead him to do something that will be unforgivable and be the cause of death on a massive scale.

This novel was very well written with great artwork to go with it. You will have a hard time putting this book down once you start to read. I really like all the different kinds of blue on the front cover with Yukina. Pages 153 and 154 were just brilliant to read, Very expressive in detail.

These books come used from amazon.

Ages 13 and higher can read this.

If you like the show you will like it. Harem building with some ecchi and a relatively clueless main character. That said he's not Infinite Stratos bad, and the plot is actually pretty decent.
