Open Challenge

By KJ

Rev Robinson (author of this book) has stated both in the book, as well on his website, that he remains open

minded and if anyone can offer definite proof that challenges a statement or belief he shared in the book, he will indeed do further research on the matter and consider revising his original opinion.

So I am issuing such a challenge. In this book, the author states Rabbi Yitzhak Kaduri's note was obviously faked. The note basically said ?????? (Yehoshua) was/is the Messiah. This indeed refers to Jesus Christ (or JC as the author uses in the book).

The challenge is that at least ten of Rabbi Yitzhak Kaduri's disciples (students) have come forward and have public stated (in several videos) that in the last several years of his life Rabbi Yitzhak Kaduri did indeed teach that the Messiah is Yehoshua. Rabbi Zev Porat has interviewed and posted videos of these interviews on YouTube as well as his website messiahofisraelministries.org

Seems to me, that having ten students come forward verifying the claim, shows the note was not faked. Will the author of this Book Absolute Truth (or many of his readers) indeed perform further research to verify the claims being made? Is the author as really open minded as he claims?
