Cheaper than 12th edition

By C. Stroup

This book was an excellent substitution for the 12th edition of the same title. The class I was in "required" 12th edition and I bought this one by mistake--no mistake! I saved money and it didn't effect my ability to complete the class. The subtle differences between the two editions isn't worth the price difference.

By Jennifer Appelgren

This was a great rental. The book was a little worn but it did it's job and I saved a ton of money. I was worried about the return but that was simple too.

American literature beginning.

By Chris

This was not used much in class, but it still gave some wonderful reading. Buying these types of books means I won't have to buy individual books. I have many hours of reading in one.
