Best book on prayer I've read!!

By Anna Arrington

This is one of the best books I have ever read on the power of prayer. Very encouraging and inspirational. Gives practical ways to pray for your loved ones and for young people. Goes through the gambit of how, when, and how to pray for whom!! I am buying more for gifts for my prayer warriors!!

This book is a motivator for revival in your prayer life.

By A Customer

You'll get much more than you pay for in this little book. Roger's down to earth approach to prayer is very inspiring and the humble spirit in which he approaches God is something that could change your life forever. His words made me want to fall on my knees before God and worship, but it didn't end there. Next, he

motivated me to pray for others on a daily basis. Roger knows first hand there is a dark power that holds others in its grasp because he was a Satanist at one time. His desire is to loosen the grasp of Satan long enough that the truth brought by the Holy Spirit will be able to shine through. If you want to be inspired to pray, read this book. It is a book that could change your life.

**A Must Read For Building Faith in The Power of Prayer!**

**By A Customer**

This book was excellent in my opinion. Roger Morneau gave testimony and example one after another of how God answered his prayers and those of people he met in his life. He did not fill up his book with personal opinion, but instead placed scripture and examples there clearly for us to just take it and run with it or not. I highly recommend it.
