## Review

“I am thrilled that Harvest House, in partnership with Precept Ministries International (one of my favorite ministries), is producing the ESV version of New Inductive Study Bible. This will be a great study Bible that every serious student of the Scriptures will want. I can't wait to get my copy!”

?Dr. Dennis Rainey, President, FamilyLife

“Congratulations on the publication of the New Inductive Study Bible in the English Standard Version. I find the ESV to be faithful to the text, word by word yet remarkably readable. It is the translation I use for my personal Bible study. Thank you for faithfully providing wonderful resources for the study of God's Word.”

?Dr. Stephen D. Livesay, President, Bryan College

“The English Standard Version and New Inductive Study Bible tools in one volume! What a great combination. May this product bless thousands!”

?Max Lucado, pastor and bestselling author

“On the lookout for the next new thing that will make a significant difference in your life? Here it is! But it's not a new thing; it's the one thing that can transform everything else?the inductive study of the Word of God. Using the English Standard Version, which for me is the finest English language translation available, the

New Inductive Study Bible is an amazing tool for life-changing spiritual growth.”

?Dr. Frank Wright, President & CEO, National Religious Broadcasters

“I welcome The New Inductive Study Bible in the English Standard Version. I have been preaching from this translation for many years, and now with the how-to notes of The New Inductive Study Bible, many will be helped in studying the Bible for themselves in this translation. Nothing can substitute for the personal, individual study of God’s Word, and The New Inductive Study Bible motivates readers to do just that.”

?Dr. Erwin W. Lutzer, Senior Pastor, The Moody Church

“The combination of the ESV and Precept Ministries’ tested and tried study methods offers people who are serious about studying their Bibles (as opposed to just reading them) a priceless opportunity to deepen their love for and knowledge of the Holy Scriptures, which were written and preserved for our instruction and encouragement.”

?Stuart Briscoe

“I am delighted that the Arthurs have collaborated on an inductive study Bible with the English Standard Version, which retains the majesty of language with clarity of thought. This is a wonderful resource for both new and lifelong students of God’s Word.”

?Ravi Zacharias, author and speaker

“Few have done more to help people understand God’s Word for themselves than Kay Arthur and David Arthur. That’s why I cannot wait to get my hands on their New Inductive Study Bible. Get it. Read it. Apply it.”

?Dr. James MacDonald, Senior Pastor of Harvest Bible Chapel and author of Vertical Church

It will transform how you study your Bible!

By Just me

When I first heard about inductive study methods, it was explained as marking up the keywords in different colors. Well, that really didn't appeal to me because I thought...what is the point?? Fast forward several years later and getting tired of reading through the Bible while my brain wanders to what grocery items I need or my to do list after I finish reading, etc. I knew I needed a different approach to almost force my brain to focus more intentionally on what I was reading. I decided to do some research on inductive study methods then I ordered this Bible to try it out. Well, I am so glad I did because it is much more than colored pens and pencils. It is intentional focused reading and re-reading to mark words, chew on the concepts, write summary information and important information, and then more chewing so to speak. I started with Colossians 2 days ago and have read the entire book at least 5 times during all the marking, chewing, writing, etc. I'm retaining information like I had not in the past. I'm seeing deeper into the Word...if that makes sense to anyone. Suffice it to say, I wish I started this years ago! As for the actual set-up of this Bible, the margins are larger than standard and the font is larger than standard as well. The pages are slightly thicker than the usual and I have found that colored pencils and ball-point pens work the best for minimal see through on the back side.

20 of 20 people found the following review helpful.

but font size is good and I am glad I purchased it

By Carol S. Daugherty

There are colored charts, colored maps in the back as well as small black and white maps in books and reference information throughout each chapter. Includes illustrations of the tabernacle, Solomon's temple, Herod's temple, the temple mount, time lines.

Includes reading Bible plan for 1 year and 3 years. Includes suggestions for what to look for while reading a book and so much more. Some margin space to make notes as well as a table at the end of each book to recap chapter themes, author, date of book, purpose, and key words.

It is on the heavy side, but font size is good and I am glad I purchased it. The Inductive Study approach to Bible Study has changed my life.

I was a bit disappointed at the paper quality though

By Kim O

I just received this in the mail today and I was excited to study the bible in this new way. I was a bit disappointed at the paper quality though. I was hoping there wouldn't be as much bleed through as I see with other bibles. Returning.
