Superb Classroom Reference

By S. Schwartz

This book, along with "The Tough Kid Book"(the companion book), would be a wonderful reference for anyone who teaches or works in an elementary school setting. I have used both of these classroom behavioral management books for many years, and just purchased copies of each title to give to two beginning teachers. Of all the books I own, these are the two I utilize the most. They are both realistic and include many practical ideas & copy-ready sheets. Buy both of these books. You won't be sorry!

Great for Special Education or Resource Teachers

By Softball Mama

This is a wonderful resource for teachers with "tough kids." It is full of reproducible forms that are ready to go. You do not need the Tough Kid book to use the tool box.
