Life is always developing and you need some new book [You Deserve A Drink: Boozy Misadventures And Tales Of Debauchery By Mamrie Hart](#) to be recommendation constantly.

YOU DESERVE A DRINK: BOOZY MISADVENTURES AND TALES OF DEBAUCHERY BY MAMRIE HART PDF

A NEW YORK TIMES BESTSELLER • "Hart is a pull-no-punches comedian with a talent for self-deprecation in the guise of self-aggrandizement, a winning formula." –The New York Times

Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that You Deserve a Drink is as educational as it is entertaining.

With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink.

Mamrie Hart steals my heart (again)

By Grace Halvorson

This is my new favorite memoir. Mamrie Hart has a unique voice and although I am biased as a fan of everything she does, this book is one for the books. I've read memoirs from other comedians such as Tina Fey, Amy Poehler, Rachel Dratch, and Kathy Griffin and they are all secondary to the candid, comedy of Mamrie Hart. She weaves sincerity with crass humor so fluidly that I see my own adventures reflected in each part of her story, no matter how different they actually are. Hart's insight in her own life inspires me to trust myself and to allow myself to rely on friends. Well done, Mamrie.

I have loved Mamrie Hart for a long time

By Wellsey

Full disclosure, I have loved Mamrie Hart for a long time, this love of her online content should have influenced my love of this book but I assure you it did not. I'm a book snob. I love to read, and frankly when Mamrie "I don't even read" Hart announced she was writing a book I knew I would buy it but I couldn't be a sure I would like it. I was right. I didn't like this book. I loved it. From her love of Boy Meets World (a love I share and feel a deep emotional connection to) to her crazy nights with friends whom you can tell she treasures this book is all heart...or should I say Hart. You will find yourself unable to read as you recover from this books side splitting laughs, and moments when you just have to take a moment to shake your head in disbelief as Mamrie regales you with her boozy misadventures. This book was unexpected endearing, righteously funny and will definitely be recommended to all of my friends....but probably not my mother. Rutabaga!

Do yourself a favor and get to know MAMRIE!

By Amazon Customer

Mamrie is sold f***ing gold. You can rely on her to make any video, sketch, interview and now book better. for example, I remember discovering Joan Rivers had a new YouTube interview series and I started binge watching them. Some of them were funny, but most of them were awkward and cringeworthy, mainly because most of the guests (some of whom were comedians) had no idea how to handle the great Joan Rivers. Mamries interview with Joan was the best. It was so cool watching a comedy great fall in love with her just as I had while discovering her through grace helbigs channel. After reading her book I love her even more. Her writing is effortlessly funny and her anecdotes give me confidence and joy. I would say this book reminded me of similar books by Tina fey, Amy Poehler, and Mindy Kaling but I honestly loved it so much more because even though she's becoming more popular and successful every SECOND, I feel like Mamrie is still my little secret.
